I. Policy:

All NW Region Speed Skating Clubs must pay a yearly club registration fee to NW/USARS to be considered a current speed club in good standing.

II. Yearly NW/USARS Speed Club Dues:

1. Dues shall be \$30 per year, and are payable anytime between the NW Regionals Coaches meeting of the prior season, and the first day of the first meet of the new season that the dues are being paid for.

III. Eligibility:

1. Each club must pay their yearly NW/USARS Speed Skating Club dues by no later than the first day of the first meet of the season.
2. Dues that are not paid by the first day of the first month of the season will double to \$60, which will be required to be paid in full before that club can participate in any NW invitational speed meets for the remainder of the season.
3. If a club registers for a speed meet after the first meet of the season, and has still not paid the \$60 NW/USARS yearly dues (including late fee), they will be contacted by a member of the NW/USARS Board or the Meet Director, to be made aware that their registration cannot be accepted until their club is in good standing with NW/USARS.

IV. NW/USARS Website

1. NW/USARS will maintain the names of all of the region's speed skating clubs that are in good standing, as well as the club's registered speed coaches, and each of their coaching level on the NW/USARS website for reference of all currently registered clubs in the region. This will be updated by the Webmaster as the dues are received by the NW/USARS Treasurer.
